Brockworth to Painswick

Dear Sir/Madam

What: Road closure for carriageway patching
Where: Brockworth to Painswick – see overleaf for details of the exact location
When: 23rd April – 3rd May from 1900 to 0700 NIGHT CLOSURE (excluding weekends)

On behalf of Gloucestershire County Council, we will shortly be patching sections of carriageway at the above location to repair localised faults and improve the condition of the road.

To ensure the safety of road users and our workforce, it is necessary for us to **close the road to through traffic** while this work is being done because of the road width and machinery that will be used. Overleaf is a map showing the extents of the road closure and diversion route.

We will be patching in multiple locations along the stretch of road marked in red on the map overleaf. **Each area being patched will need its own localised road closure.** Although we can't give exact times and locations for these localised closures, we will have a gateman at each end to manage access for residents when it is safe to do so. There may be some delays and your patience is appreciated.

This work is in advance of a surface dressing treatment being applied to the full site in the summer 2019.

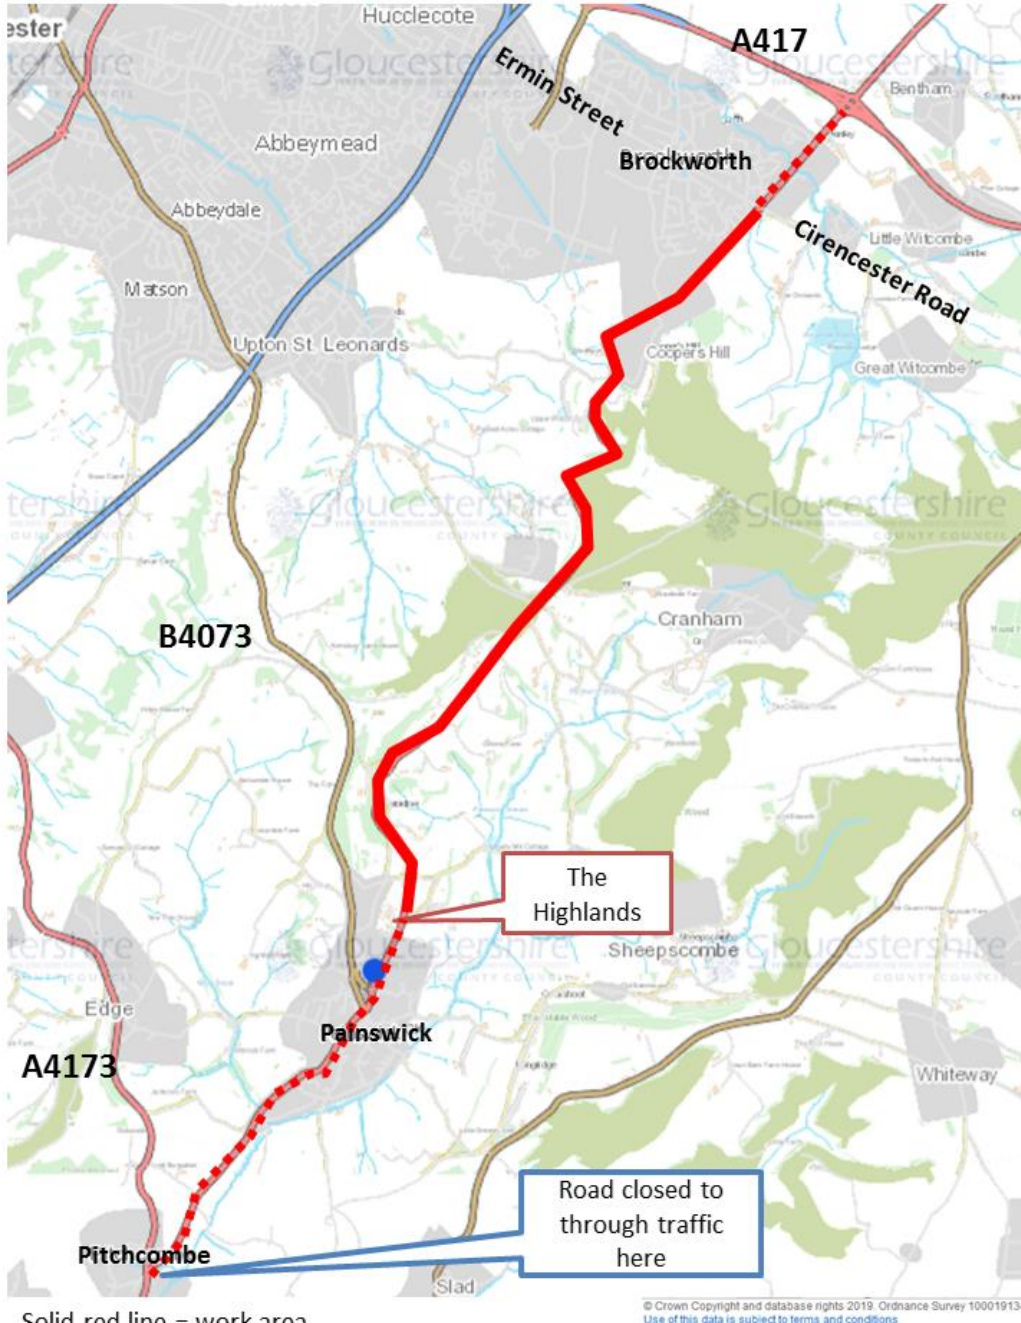

Thank you in advance for your patience and co-operation. If you have any queries please refer to the Frequently Asked Questions leaflet delivered with this letter, or contact us on 08000 514514 or email Highways@gloucestershire.gov.uk.

Yours faithfully,

Alex McGregor
Contract Manager For and on behalf of Ringway
